Joy--

Lacey will handle all tours from the Montana Congressional office.

In regards to the Secretary's schedule, I will be in touch. We are working on his April travel plans, but he may be in town and available at the beginning of that week. The Interior building is, unlike the Capitol, not a public building so we will need the names of all members of the group so that they can be permitted past security. We can get those when we confirm a date and time though!

Best,
Caroline

Hello Caroline and Lacey,

Sean Frampton forwarded me your reply emails to him because I am one of the chaperones and main contact on the Whitefish Christian Academy D.C. trip. Thank you so much for your help.

First and foremost we would love to schedule a quick visit and pictures with Secretary Zinke if at all possible. The kids, as well as all of us, are so proud that they have a connection with Secretary Zinke being from Whitefish and his son Conrad being Whitefish Christian Academy Alumni. The kids ask me on a daily basis if we are going to see Secretary Zinke while in D.C.

There are 6 kids (9th-10th grades) and 3 chaperones on our trip, so we are a very small group. Please let me know if you need names, etc.

We have another contact that is working on a White House tour for us, so we will remain hopeful on that one. But we would love to set up a definite Capitol Tour. Our itinerary includes many places of interest and museums, and is very flexible and fluid. So, anytime April 9th to 12th would be great. (We arrive on the 8th late, and leave on the 13th early).

Thank you again very much,

Joy

Hi Sean,

We can have someone from the (former) Congressional office set up a Capitol tour and provide other ideas for tours in the area. Please just let us know the full number in the group, including chaperones and who should be the point of contact if someone other than yourself!

I have cc'ed Lacey Smethers, who is the Tour Coordinator in the Congressional office to help you out.

Please let me know if you do plan to attend as well!

Best,

Caroline

Ryan,

I know you're super busy but my daughter and her class are traveling to DC April 8 to 13. If you can help with a place to see, an activity, or anything that you think high school (10th grade) kids would like, I am happy to speak with anyone you can point me to. Thanks.

(I think we're all proud to have you, a Montanan, in the Cabinet.)

Sean

Do you think Ryan Zinke would be able to line something cool up for the Whitefish Christian Academy 9-10th graders on their trip to DC, April 8 – 13? There are only 6 kids going so they are pretty mobile. They will arrive late on April 8 and leave early on April 13.
